### *Healing & Deliverance Program*

#### **Introduction**

*Hi, my name is Sharon Flesher. I would like to present the overview of our **Comprehensive Healing and Deliverance program**. There are many deliverance programs out there, but I guarantee you there is none like this one. The Lord has shown me much over the last 25+ years and this program is a compilation of all that He has given me to share. My first experience with healing came when I was just a small child and was at the hands of my dad when he prayed for me to be healed and I was! I will never forget that moment. I was hooked on healing and deliverance and the Lord knew it!*

*Since that day I have witnessed many miracles and the Lord has been showing me things about healing and deliverance ever since I was a child. This article is an overview of our Healing and Deliverance program that we use here at Bread & Wine Ministries. It has proven very successful and this article is an overview of the program so you know what to expect when you come to us for help.*

*Our method is based on scripture and is the exact method that Jesus used to cast out demonic spirits. We also incorporate into our method the gift of healing, the gift of miracles, and the gift of faith.*

*This program will be offered in great detail in our free at our headquarters. It is our intent that other ministers would come, learn, and use what God reveals to them. There is no copyright to our method and God is adding to it often. Therefore, we hope that all who come to the conferences would be able to take what they learn and help the world.*

*.....loose the bands of wickedness, undo the heavy burdens, and let the oppressed go free,.....we must break every yoke.....*

## **Foundation of Deliverance:**

*Bread & Wine Ministries is committed to the well-being of every soul we encounter. We recognize that every believer's body is part of the very body of Jesus Himself. Therefore, sickness is simply 'not' acceptable and we know that God takes care of His only begotten Son. We know that we can come boldly for deliverance, boldly for miracles, and boldly for all that we need and we can do so without fear of reprisal.*

*Our method of healing is 'exactly' like the ones that Jesus used. What you will see is that Jesus is still alive in the earth through those He inhabits and just as all who came to Jesus received their healing then, they will also do so through you today!*

*Frances Hunter said something once that I will never forget. She said that she 'knew' that Jesus was living in her and it was His hands that healed through her and her ministry proved that she knew it in her heart. May we follow in her footsteps.*

### **1. God's Authority over Matter**

*It is always spirit that changes matter. The Holy Spirit moved and the earth was made. Spirit effects matter. When unclean spirits enter people their movements create sick bodies. Therefore, the unclean spirit must be removed for healing to commence. We see Jesus doing this very thing.*

**16 When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick:**

**Matt 8:16 (KJV)**

### **2. The Unclean Spirit...what is it and what can it do?**

*This is an issue of controversy. Some say they are nephlims or possibly fallen angels or souls of the dead. I say if you have a splinter in your eye are you really going to debate if it is walnut, oak, or cherry?*

*Trust me, after you begin seeking God on the issue I won't have to prove anything to you concerning the origin of the demon(s) because in time you will simply discover it for yourself. Therefore, at the conference I present my 'Theory of Demonology' and leave each to his own conclusion. I have also discovered that you don't have to know the origin of the demon to get fabulous results. Therefore, the demon will not be the focus of our ministry. Instead, we focus on the Lord.*

*This was perhaps phrased best by John G. Lake who had one of the most profound healing ministries ever known. When asked why he rarely spoke of the devil(s) he said, "I have no use for a whipped fellow". I agree. It is the authority in Christ that removes the demon, not the knowledge of the demon that removes the demon. Therefore, at Bread and Wine Ministries we are well equipped in understanding who they are and how to extricate them but we do not '**get the horse ahead of the cart**' in the deliverance process.*

*In our conferences we learn:*

- What the unclean spirit is (Theory of Demonology)
- How it enters
- How it transfers
- How it stays
- How it makes you sick
- How we draw them to us
- How we can live in a way that repels them
- How to see them (three different ways)
- How to separate from them

### **3. The Good Guys**

*This is one of my favorite parts of the conference because people just light up when they realize they can see a angels too!*

- How to see angels
- How to see spirit energy
- How to increase the presence of angels in and around you
- How to increase the presence of the Holy Spirit
- What quenches the Holy Spirit

#### **4. Methods of Healing**

*Healing the sick is a miracle. It is God moving contrary to matter and changing the molecules. This can occur by various means. For some it was a pool of water stirred by an angel.*

*Hence, there is more than 'one' way to heal a sick person. In the bible we see Jesus using many different means. We see him putting mud on someone's eyes, we see him casting out demons, touching or being touched, commanding the sickness out, but we NEVER see Him wistfully begging God in prayer!*

*Therefore, consider that act to be your last resort and place it on the very bottom of your list of ways to help someone or yourself. It does work though (lol) and was the very method my dad used to bring my mom back to life once! So never say 'never' when it comes to miracles and faith. What is it going to take to reach your faith? Do you have to crawl a hill on your knees? Do you have to touch the hem of Jesus' garment? Do you have to be touched by a 'famous' minister? Do you see the connection? Faith heals. That is the substance of things hoped for.*

*What do we see working in today's age? Exactly what we were are taught will work. Too bad we didn't have more enlightened Sunday school teachers! We would all be walking miracle workers living in the realm of miracles!*

*Today's most common healings usually occur from what we have been taught will work. Generally we believe in.....*

- *Laying on of Hands*
- *Casting out demons*
- *Confessions by faith*
- *Commanding the flesh*
- *Acts of faith*
- *Prayer clothes*
- *Pleading and begging*

*....and so we find that due to the placement of our faith, these things indeed work! Faith placed into sugar tablets have been known to heal many people. How silly we are! Christian Science's record of healings is astounding. The basis of their healing? They quit believing the devil! You can too. The moment you quit believing the lie, the truth becomes the faith that heals you. I've experienced a healing through their literature so I know whereof I speak! Although I do not endorse their religion, I understand why they experience thousands of miraculous healings. Even the government recognizes their healing success! Wow....more people need to take a moment and see why that is so.*

*At Bread & Wine Ministries we consider where your faith is at before we do anything. We seek the Holy Spirit to gain understanding and do our very best to move with Him according to your situation. Where is your faith at? God surely knows and so we let Him take the lead and respect His work in your life.*

## **Break Down of Healing Methods**

*For the narrow minded person who tries to make their entire ministry 'just deliverance' I have somewhat to say to you. If you went to war and said, "I only need my boots" how far do you think you would get? It might help to have a gun or a tank, some navigation equipment and communication devices and other such things, don't you think?*

*God gave 'all' of the gifts to us so we can combat the enemy. To stubbornly stick to one method of healing shows substantial ignorance. I would suggest that you look further*

*into the gifts of the Holy Spirit and use 'all' of God's goodness to overcome the devil, not just the ones that tickle your fancy.*

## **Laying on of Hands:**

*In this method we learn the technical side of what is going on and why touching a person with your hands is important. We also look at the scriptural basis as to why we do this. We use anointing oil and the gift of healing and the gift of faith in this process of healing.*

***14 Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: 15 And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him.***

**James 5:14-15 (KJV)**

*Laying on of hands does something amazing. Your spirit energy corrects the other persons energy which is why you must be careful 'who' you lay hands on. You can inadvertently draw dark energy into yourself if you are not following the Holy Spirit. Also, if someone who is demon possessed or oppressed lays hands on you they can transfer demons into you. I have had this happen to me before and it took awhile to get things straightened out so be careful when it comes to laying hands on people.*

*You are in danger only to the degree you are vulnerable. If a person who has the same type of demon touches you, your level of trouble can increase. Remember, like attracts like in the demonic realm. If your problem is greed and a greedy person lays his hands on you, you will have more greed than ever before. Don't let that happen to you. Make sure the person you ask to pray for you has a life that is full of the fruits of the Holy Spirit.*

*This is why we are suppose to seek elders. It isn't because they are old but James wanted you to find the most 'mature' Christian because he knew that person would have the least amount of demons and the strongest presence of the Holy Spirit. That transfer of energy from God was to raise up any sick person.*

*One of the reasons you don't see this used much in today's Christian community is because it doesn't work. It doesn't work because there are no real 'elders'. Everyone is content to play church and not repent and so no one is close to the Holy Spirit and you can't transfer what isn't there.*

## **Casting out Demons:**

*Sometimes one must do battle with the demonic spirit. It is not uncommon for the demon to come full front in a person. In this case it is imperative to know how to deal with it. This is covered in our conferences.*

*We cast them out by using the name of Jesus. The basic steps are listed below.*

- We come against them in the name of Jesus which breaks the power that they have had over that person*
- We then bind the unclean spirit in the name of Jesus*
- Loose the spirit from the person's body*
- Cast that spirit out and command them to 'enter no more'*

*Many illnesses are direct results of unclean spirits. Cancer is almost always a demon. We are learning more everyday but gladly confess that we have had great success in casting out spirits.*

*Sometimes the unclean spirit will manifest itself, usually in an attempt to scare us so it can stay in the person. If you are not prepared to deal with a manifestation it can certainly take you by surprise.*

*Sometimes we require it to manifest to properly arrest it and relocate it. But at all times we do our very best to move with the Holy Spirit and operate under the authority of Jesus Christ for the safety and well being of all involved.*

*Each person's case is different. Just as no two snowflakes are alike, so no two people's cases are identical. We handle each one in the tenderest way we possible can but we carry big guns to get the job done and have nice big angels backing us up which really helps.*

## **Confessions by Faith:**

**17 (As it is written, I have made thee a father of many nations,) before him whom he believed, even God, who quickeneth the dead, and calleth those things which be not as though they were.**

**18 Who against hope believed in hope, that he might become the father of many nations, according to that which was spoken, So shall thy seed be.**

**19 And being not weak in faith, he considered not his own body now dead, when he was about an hundred years old, neither yet the deadness of Sara's womb:**

**20 not at the promise of God through unbelief; but was strong in faith, giving glory to God;**

**21 And being fully persuaded that, what he had promised, he was able also to perform.**

**22 And therefore it was imputed to him for righteousness.**

Romans 4:17-22 (KJV)

*You have to have revelation to do this one. You have to have a picture in your heart and mind and soul.*

*Here is how it works. This method will heal you and we use it. It follows the above scriptures.*

- It has to be written by the hand of God into your life*
- Your hope must be upon that which He said and you must listen only to His words*

- *Faith must not be weak*
- *You must be fully persuaded and have seen the promise in your heart*
- *and God will perform that which He showed you*
- *and it will be given to you*

*There was a minister, I don't remember his name at the time of this writing, but he preached to people and they were healed. This is how these healings came about. You must receive the word and once it is received into your heart you will be healed. Here it is again for you to see.*

***17 Fools because of their transgression, and because of their iniquities, are afflicted.***

*(This is how sickness comes to us. It is nearly always through our sin which separates us from Life/Health)*

***18 Their soul abhorreth all manner of meat; and they draw near unto the gates of death.***

*(People get to a place where they cannot accept the truth and that causes their spirits to draw near to death)*

***19 Then they cry unto the LORD in their trouble, and he saveth them out of their distresses.***

*(Then, because they are suffering they cry out)*

***20 He sent his word, and healed them, and delivered them from their destructions.***

*(God returns the truth to their hearts and it heals them. Just as sin caused sickness, right standing heals us. It is always repentance unto salvation/healing.)*

**Psalms 107:17-20 (KJV)**

**10 For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.**

**Romans 10:9-10 (KJV)**

*Jesus knew this ,which is why he would preach to them after he knocked the unclean spirits out. He knew that they must have the correct place to come from in their hearts or they would not stay well. He would tell them after healing them to, “go and sin no more lest a worse thing come upon thee”. Proving exactly what I am saying.*

*When you understand that salvation=healing, the scripture opens up wide to your understanding concerning healing.*

*With the heart you will believe into your healing and with the mouth confession unto its manifestation.*

*The woman who touched the hem of Jesus’ garment had pictured the whole thing in her heart. If her faith had been stronger perhaps she would have believed in His shadow or a glance. This is why larger crowds see more healing. Faith fuels faith. Just watching others believe and testify increases your faith.*

*Peter had to see Jesus on the water before his faith was strong enough to even fathom walking on it and looking down at his feet his faith fell and he sank. Our spirits operate the same way. If we keep our eyes on Jesus, our faith will not fail. However, if we confess something else, it will fail and we are always healed according to our faith level. Which is why it is imperative to understand where another person’s faith is at and it is also why ministers often keep a distance between them and the people they are trying to help. The more you demean someone, the less faith you have in their connection to God. Because we falsely assume the minister is the ‘source’ of power and the more faith we place in a person the more we see occur. We do not understand that it is our ‘own’ faith that is bringing the miracles to pass and not the ministers.*

*The bible says that one whole town received no miracles to speak of from Jesus:*

**4 But Jesus said unto them, *A prophet is not without honour, but in his own country, and among his own kin, and in his own house.* 5 And he could there do no mighty work, save that he laid his hands upon a few sick folk, and healed them. 6 And he marvelled because of their unbelief. And he went round about the villages, teaching.**

**Mark 6:4-6 (KJV)**

*Teaching is always the cure to no faith because you must have revelation to move from to receive from God. Jesus came upon a group of people who knew him and obviously his life was quite normal because they didn't consider him to be anything spectacular. Notice that he used 'laying on of hands here' when people's faith was gone. That is because you can transfer energy to heal. He decided to go around and tell them the truth so their faith would grow and they would be well on day. Jesus wasn't stupid. He knew exactly what was wrong with that town.*

## **Commanding the Flesh:**

*Charles and Frances Hunter showed this to me and oh am I glad. I have the gift of miracles and hope to use it more profoundly than I have thus far in my life. I believe that all the gifts are for all Christians and that God gives them as you need them. When you seek to do His work in the earth, He is not cruel. He gives you what you need and more than you need!*

*We see Jesus using this gift when he stuck the ear back on the soldier that Peter chopped off. We see him commanding sight to the blind.*

*We see it promised here to 'every one' who believes.*

**22 And Jesus answering saith unto them, *Have faith in God.***

*(This is the foundation of the gift of miracles. You must believe that it is. You must be fully persuaded in your heart that God is moving through you. What hinders most people is their sin. They are too guilty to come close enough to God. They want to hide and have power and it doesn't work like that.)*

**23 For verily I say unto you, *That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.***

*(This is nearly impossible to do if you feel guilty. If you have unrepentant sin or are self centered you feel your shame and guilt and you cannot focus on the mountain at all. All you hear when you seek to draw near to God is 'repent'. Jesus tells you about it at the end of his statement and I want you to see it so you can do mighty things for God.)*

**24 Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.**

*(If your desires are not godly, do you think God will send His angels and grant you your wishes? Do you see the problem that many people face? They don't want to serve god, they want to be god. That desire is probably 'not' going to be granted. And what if the mountain you wish to remove is the Truth? Do you think that will be done according to your desires? No! This is why we must hear and believe the truth 'before' we even think about moving mountains. You must have bold access to God and right standing.)*

**25 And when ye stand praying, forgive, if ye have ought against any: that your Father also which is in heaven may forgive you your trespasses.**

*(Here you are, about to speak to that mountain, but 'before' you do Jesus tells you to do something. What could be so important that a mountain moving moment must be put on hold? You must forgive. You can't willfully forgive. Have you ever tried that? It just makes you angrier. You must receive revelation to forgive. Most people don't understand that they need to forgive themselves. They can't because their pride won't let them admit a mistake. They can't forgive others because those people failed 'them'. And I will tell you something that may shock you. If you don't forgive, forget moving the mountain. It won't budge. Do you need a miracle? Then you need to seek forgiveness and to forgive yourself and others. Please see my articles and audio files on this issue to help you. You really can overcome your anger and unforgiveness. All it takes is a small tiny revelation on 'why' you are angry.)*

**26 But if ye do not forgive, neither will your Father which is in heaven forgive your trespasses.**

**Mark 11:21-26 (KJV)**

*(God only answers prayers of the righteous. Righteous people are not arrogant,*

*unforgiving, unkind, or cruel. If you can't overlook the errors of others then you are not His child. Jesus is letting you know that God doesn't move mountains for the wicked of heart. Mountain moving only happens to those who are not angry and those who forgive others and themselves. Trespasses that are loved by the trespasser causes so much damage that it would take many books to describe it all. It would shock you if you could openly see all the sin that people love. They call their sins 'quirks' and identify with their sins as a part of them. They fall in love with there 'silly little ways' and hope their children are just like them.*

*They think its cute when they pout. They like it when they are emotional. They believe that God is a sinner like they are, only just bigger and it is their ignorance that kills them. How many people do you know that is proud of their anger? They consider it one of their finer points saying, "you don't want to see me mad", they brag.*

*All these kinds of things keep mountains right where they are at. You will die in your sickness and in your sin until you learn to repent and forgive. Until you discover how to see that it was your own greed or lust that begat that ugly mountain in front of your face, you will not be able to repent and without repentance you cannot forgive! So 'round and round' the mountain we go, getting nowhere fast.*

*Repentance allows that mountain to be defeated and so at Bread & Wine Ministries we seek God in your behalf and help you with the revelations you need to overcome those mountains. These are what the gifts of the Holy Spirit do. They edify and build you up so you can indeed speak to the mountain and see it ripped apart in front of your face! Glory to God! Now that's deliverance!*

*We command flesh in the name of Jesus. This has been very fruitful in our ministry. It is the gift of faith combined with the gift of miracles and it works wonderfully! With it you can grow out arms and legs, add a new body part, and do anything you can visualize in your spirit. You can align spines which often return hearing and eyesight. God is always surprising me with the things you can command in His name and He loves to heal people.*

## Acts of Faith:

*One thing that always amazes me is that people can use your faith as their own. Often when someone says, "I don't have enough faith" I reply, "that's okay, I have enough for us both," and these people rest on that statement and receive their healing. An act of faith is seen here in scripture where Jesus sends a man to a pool to wash some mud off of his eyes (John 9:6). Jesus was trying to not draw attention to himself but also wanted to help people. So he knew that the man had enough faith to get healed and he knew how to bring it about.*

*I like the way Charles and Frances Hunter approached the issue of healing by action. She would follow the faith that the person had and let the Holy Spirit lead everything. This is how to do it, because only God knows.*

*Jesus knew faith is settled into the soul through acts. We see it in his commands, "rise up and walk, come forth, show yourself to the priests, wash in the pool of Siloam, sin no more, etc." These are all 'acts of faith'. If you receive a revelation in your heart this will work for you.*

*One time when I was about 16 I had a terrible pain in the bottom of one of my feet. Because we never went to doctors and relied only on God for healing, I have no name for the illness. All I know is that I could not put hardly any pressure on that foot without coming to tears from the pain. I had been listening to Kenneth Copeland, Charles and Frances Hunter, and reading Christian Science. Somehow, I knew that the pain was not from God and I came to a place where I refused to accept it as mine.*

*We lived on a farm and I had 'a lot' of walking to do. Some of which require me to carry two five gallon buckets of feed or small hay bales. I spoke to the pain at every step and said, "I am healed... thank you God for healing me". It took about half a day of endurance but I never gave ground to it and it left and I have never had it return. I am 42 at the time of this writing.*

*Speak to the mountain, stand on the revelation you have received, and don't look back. The danger in hurting someone occurs when you try to egg someone into a revelation or a deliverance and they stand on something they don't have. This happens if you move from flesh (pride, greed, etc.) to 'make a point' and God isn't in it. Therefore,*

*be wise and perceive where the faith of the person is at and let that person move on what they have or don't have and let God do the work. Just be a vessel of use.*

**9 The same heard Paul speak: who stedfastly beholding him, and perceiving that he had faith to be healed,**

**Acts 14:9 (KJV)**

### ***Drawing Fire out of a wound:***

*There are other acts of faith that you can do that are included in the conference but will only be mentioned briefly here because it would take too long to describe how to do them. I have discovered how to pull fire out of a wound. Welders often do this with after they burn themselves but you can do it by the power of God. Because heat goes in, most doctoring methods cause the burn to go deeper. You can actually pull the fire out of the wound and healing will be nearly instantaneous.*

### ***Stopping Bleeding:***

*The last thing that God has shown me is how to stop bleeding. This is most amazing and I haven't got to use it too much but I will chart its progress. It is a scriptural method that will be taught at the conference that has been used by many old timers. It is tried and true and based on a scripture.*

## **Prayer Clothes:**

*Prayer clothes are quite well known and used in by many people. I believe that they carry the 'virtue' of the Holy Spirit in them and just as your hands touching a person transmit the Holy Spirit, so do the clothes.*

*We do send out prayer clothes. Our staff will pray over and anoint the clothes. I suggest putting one under the mattress of someone you are praying for to be saved. If you would like a prayer cloth send a self-addressed stamped envelope (SASE) to us at:*

*Bread & Wine Ministries*

*7961 E. Hwy. U.*

*El Dorado Springs, Mo. 64744*

*And we will send you a cloth. It will be just as if we are standing there praying over you. The same anointing that is in us will come into you. You can place it on your injury or any place where you are ill and the positive energy from the Holy Spirit will begin to enter that area and correct it.*

## **Pleading and Begging:**

*Probably the closest thing to begging we do is pleading the blood of Jesus. This is very strong and definitely the way to begin to speak in tongues. No demon will dare give you a false tongue if you say over and over as fast as you can from a worshipful heart....."the blood of Jesus...the blood of Jesus"!*

*I plead the blood of Jesus over myself and others and I 'visualize' the actual blood of Jesus covering us with a film of dark red blood. Watch it ooze over the person you are praying for and see the blood between them and the forces against them.*

*If you are under demonic attack and can't think of anything else to do, this is really strong and works well.*

*Sometimes during intercessory prayer I will hold my hands out and plead the blood of Jesus over someone. I imagine my hands over the top of their head and pull the hands down over the shape of the image in my minds eye.*

*Demons are terrified of the blood of Jesus. It is pure, sinless, and powerful. It is His blood that redeems us and it is His blood that condemns them.*

*The only positive evidence I see to begging for a healing is that God begins to work with you on the issue. There must be a consensus of faith to move from and so God will begin to give you a foundation of faith to move from. It will come through personal revelation(s). Begging is often used by people as a last act of faith but I don't care what act it takes you need to get the faith moving! If you must crawl a hill on your knees, fast for many days screaming and begging God to help you, then by all means...proceed!*

## Summary

***1 I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men;***

***2 For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty.***

***3 For this is good and acceptable in the sight of God our Saviour;***

***4 Who will have all men to be saved, and to come unto the knowledge of the truth.***

**1 Tim 2:1-4 (KJV)**

*I know beyond a shadow of a doubt that God honestly wants every single person ever created to know the truth and follow it. He wants to heal every person and Jesus died for the sins of the 'whole' world. Not just some parts of it or some colors of it.*

*Sickness does not glorify God. One person tried to convince me that he was suffering in his sickness for the glory of God and I said, "if that is so, lets make you really sick because it is a sin to withhold praise from God!" They stopped preaching their nonsense to me.*

*We get sick because we get separated from God. He is health. See, God is just like math. He is nearly emotionless and always true to Himself. If you leave health behind then you find sickness. Simple really.....very very simple.*

*Faith moves God. Guilt tripping God doesn't work. He isn't guilty of any sin so how*

*do you expect to guilt God into anything? He has never been wrong.....'not even once'. He is perfect in all His ways. Therefore, to struggle against Him, trying to prove how bad He is or to prove how wrong He is on anything is just a sign of your own ignorance.*

*God says in Hosea 4:6...*

**6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee,.....**

**Hosea 4:6 (KJV)**

*He is no respecter of persons, just like math. If you deny Him, he denies you. If you follow the rules of math, math works. But if you make up your own 'math rules' odds are you won't get very far! See why you need to know 'the way it really is'?*

*When speaking of a group of people spreading things that weren't of God we read in Titus.....*

**.....Wherefore rebuke them sharply, that they may be sound in the faith; 14 Not giving heed to Jewish fables, and commandments of men, that turn from the truth.**

**15 Unto the pure all things are pure: but unto them that are defiled and unbelieving *is* nothing pure; but even their mind and conscience is defiled.**

**16 They profess that they know God; but in works they deny *him*, being abominable, and disobedient, and unto every good work reprobate.**

**Titus 1:13-16 (KJV)**

*You have to have the foundation of Truth. If you don't you are following only the commandments (thoughts) of men and you are turning from the truth of what your heart knows. When this happens nothing is pure. Everything you do comes from the wrong place in your heart. The Lord told me once...."you hear from the place you come*

from". If you come from greed, lust, pride, or envy and seek to do ministry, do you think God will be in it? You might profess that you know the Truth but in your actions you deny it!

To say 'follow God everyone!' and then promptly refuse to forgive is like saying follow that bus and then point to the sky! You make no sense! Common sense would say that if you profess to know God and then refuse to really do so that you are only interested in gathering attention for self gain and using God as the means to your end!

Religious spirits are so plentiful in these last days. I bump into them everywhere! People know all about God but know nothing of Truth.....how can that be? There are case after case of child molesting priests! We have a religious society that 'approves' of murdering the unborn! How can you follow the maker of the Ten Commandments and be breaking them all!

Healing will never come to our world in fullness until the world is ready to face the Truth and in your own personal world you must 'repent' to enter heaven. It is the same for every person under the sun. Every thought must come into subjection and every spirit weighed. We must abhor the ways of the devil and truly love and follow the truth or not one tiny speck of your being will enter heaven's gates.

**155 Salvation is far from the wicked: for they seek not thy statutes.**

**Psalms 119:155 (KJV)**

Healing is far from the wicked because they don't seek the mind of God. To heal people you have to 'return' them to the truth. Only the truth keeps the devil/liar out.

**31 Then said Jesus to those Jews which believed on him, *If ye continue in my word, then are ye my disciples indeed; 32 And ye shall know the truth, and the truth shall make you free.***

**John 8:31-32 (KJV)**

One day this earth will be consumed by fire and reborn. Only those whose foundation are built upon what 'really is' will remain. Where are you standing? Why do you believe what you say you believe? Are you free right now? If not, I would ask

you, "how can you know the truth?" For the Truth 'always' sets you free. The evidence of bondage would suggest to me that you are 'truthless' in that area of your life and you are in bondage and I would say to you if you would seek the Lord/Truth in that area of your life and if you would honestly repent and change you would no longer be in bondage. For His word 'never' fails. Its like math....it never fails.

Start seeking any kind of sin (wrong thought) that you are moving on and do so with a passion! Nothing scares the devil like a person who is hungry for truth. The first line of demonic defense is to sidetrack you. They know that if you start listening to God they are finished!

You should be living in joy and peace and love. You are suppose to be full of health, peace, free from worry and poverty. These are the fruits of God's Spirit and if you don't have them in your life there is a 'real' reason why that is. If you get to the root of that reason you get to enter heaven! Wow! Can you say ....Wow!?! And it never fails! Like math! You have to figure out why your two plus two is coming out as five and you aren't able to get an A+ from heaven. This is why you have no peace.

This is also why I suggest my meditation technique and I also suggest Roy Masters' meditation because how can you quietly sit in God's presence when you cannot discern from the noise going on in your head? You must be able to sit in God's presence and receive guidance in a 'nonthreatening' way. Roy has been blessed by God to help people do that and I am not saying I endorse all his teachings but the meditation works! I have used it and it works so well that a demon left with an electrical charge one time! Demons hate the meditation! Its like pulling up a large spot light and lighting up all their sneaky little hiding places. Its difficult for them to trick you when you see them coming. You are able to say, "no thank you" to their lies an schemes and easily resist them! Its great! I love it! Never cried so many good repentant tears in my life! Thank you Jesus!

**And as ye go, preach, saying, The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.**

**Matt 10:6-8 (KJV)**
